BACKPACK  
FRIENDS

Thanks for participating in our **Backpack Friends Food Drive!** There's nothing like a little friendly competition... especially when you're helping feed at-risk kids in your own community!

You already know that there are thousands of kids on free meal programs through our public schools. Those students are able to eat from Monday breakfast thru Friday lunch without any worry.

But what happens when they have nothing to eat between Friday night and Monday morning?

That's where Backpack Friends comes in.

We provide healthy, nutritious food for kids every weekend during the school year. Not only does it alleviate hunger for the children involved, but it also helps alleviate anxiety for the parents as well.

By getting involved, YOU can be a hero to kids (and parents) by helping us provide much-needed food until they can return to school.

We do it because we believe in a community where every child has a chance at a bright future. We believe that the truest test of a community is how it cares for the vulnerable.

And we believe that even if no one else feeds them, we will.

Thanks for joining with us!
